No-Bake Santa Cookies

Shopping List

Peanut butter sandwich cookies
White chocolate flavored candy coating
Red icing
Blue icing
Mini chocolate chips
Variety of holiday sprinkles
Clear sugar glitter crystals

Preparation Instructions

Cut white chocolate into small pieces and place in a glass mixing bowl

Bring a pan of water to boil on stovetop on medium heat

Place bowl on top of the pan, above the boiling water and melt the white chocolate, stirring occasionally

Once the chocolate is melted, dip each end of the peanut butter sandwich cookie in, coating the cookie to make the beard and the hat

Place cookies on a cooling rack

Sprinkle the clear sugar glitter crystals along the bottom edge of Santa's hat

Put red icing into a piping bag and apply to make Santa's red hat, and also use to make Santa's red nose and mouth

Put blue icing in a piping bag and apply two dots to make Santa's eyes

Place mini chocolate chip on each blue dot to finish the eyes

Decorate Santa's hat with various holiday sprinkles

Allow to dry

No Piping Bag?

You can put your icing in a zip-top bag and cut off a corner to squeeze out your icing.
